Dear Parents and Guardians,

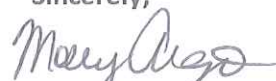

This year for a summer reading list, we are providing Reading Menus that will give suggestions for reading and literacy activities. If you are able to view the menu on our website, it will direct you to live links that will give descriptions of the book. Although some links provide ways to purchase the book, please understand that is not the intent, but only to show titles with descriptions. Many of these books can be found at our local libraries such as [Bishop Library](#), [Keach Family Library](#) in Robstown, and [Kleberg Public Library](#) in Kingsville. We hope that your children will look forward to reading this summer and take the opportunity to engage in many rich and rewarding activities that allow them to discover books they will truly enjoy.

Research shows us that your child needs to read at least 20 minutes per day to avoid losing reading levels known as "summer slide." We should be encouraging students to choose from a variety of books that will allow them to select books that appeal to their individual interests. We want your children to look forward to the luxury of time that summer will provide and allow them to experience the joy of reading books they will love. We hope our students will anticipate the publishing of a new book by a favorite author with the same enthusiasm they await the release of a new movie or video game!

We are encouraging your child to choose at least 10 activities from the Reading Menu to find a book title (the more the better), fill out the Reading Log, and complete the Reader's Response Journal so that it can be submitted to their teacher the first day of school in August. The goal is to have at least 8 journal entries completed. If it has been prepared with quality, your child will receive a book as a reward for their reading dedication! Quality writing includes complete sentences, capitalization and punctuation when needed, and strong, elaborated sentences.

We encourage parents and guardians of students entering 1st-5th grade to be actively involved in the book selection process. If you have questions about any of the books that are suggested, please feel free to contact me. Or, if you are having difficulty finding some of the books, substitutions may be allowed if they are at the appropriate level. We want the students to be reading! The door is open for your child to choose from fiction, nonfiction, informational, and how-to books. Text may be traditional print or eBook versions. Have fun, read to each other and talk about books during dinner or while riding in the car. Help your child to see the summer as a time when they can dive into books that feed their imagination and special interests.

Sincerely,

Molly Argo

BCISD-Reading Menu – 4th into 5th Grade

Challenge yourself to complete as many boxes as you can!

Click on the link in each box to see suggested titles. A list of series and authors can be found below this menu.
